

## Who Comes To Endon?

### ***You Do!***

We welcome children between the ages of 9 to 16. We cater for children of all standards. We have over 50 horses and ponies here, so you can be sure that you are teamed up with a mount that is suitable for your needs.

We'll teach the beginner from the start, we'll give confidence to the nervous and we'll challenge the advanced.

Many people come to Endon on their own, some bring a friend and some come in groups from other riding schools. One thing is for certain, you will meet lots of new friends and have a fantastic time!!

## Own A Pony For A Week.

When you arrive you will be given a pony to look after for the whole week as if it was your very own.

Not only will you ride this pony, but you will catch it, groom it, feed it, muck it out, tack it up and give it lots of love.

Don't worry if you've never done any of these things before. There are always lots of people about to help and assist you throughout the week.

## Bring Your Own.

If you are lucky enough to have your own pony, you can bring it with you (if it will fit in your suitcase), at **NO EXTRA CHARGE!**

## **Riding Activities.**

There will be lots of riding throughout your stay.

Everyone will receive tuition to improve their riding skills and there will be plenty of hacking in the beautiful countryside that surrounds us. This will include either a picnic ride or a half day trek. For the more adventurous rider, you can try your hand at dressage, show jumping or cross country. There will also be a number of fun lessons which will include gymkhana games.

Every Friday we have a Mini Show and everyone is encouraged to take part. There are plenty of rosettes to be won in various classes. Parents (and grandparents, brothers, sisters, uncles, aunts and friends etc.) are welcome to come and watch the Mini Show to see how your riding has improved.

Although the activities are made as much fun as possible, there is an emphasis on learning. We want you to make the most of your stay and gain all round knowledge of the equestrian world.

Our friendly staff all have British Horse Society (B.H.S.) qualifications and you will be supervised in all activities.

## **Non-Riding Activities.**

You will learn about looking after your pony through a series of demonstrations and lectures to make your learning as enjoyable as possible.

Usually included in your holiday is an afternoon or evening at Waterworld, an indoor water park. All entrance fees and transport costs are included in your holiday.

Your holiday co-ordinator will organise a variety of evening activities for you, ranging from quizzes and competitions to a party night.

On Saturday evening there is the Prize Presentation, when all awards for the week are given out.

There are lots of prizes to be won, both as part of a team and as individuals.

## **Accommodation.**

Next to the farmhouse, we have a purpose built accommodation block. All of the rooms are centrally heated and have their own television. The rooms are based on four (or occasionally six) sharing to help you to make friends with everyone else on your holiday. Bathroom facilities are located within the block and there are additional toilet facilities available on the yard.
